

MARRIAGES - BOOK "B", 1854-1856 & BOOK "C", 1856-1860

Macon County was formed in 1837 from a part of Randolph County, and since marriages recorded in Book "A", 1837-1853, have been published heretofore, we present here those recorded from 1854-1860, a very important period. Marriage Book "B" was in very bad condition, with some of the pages loose and the edges crumbled away. The book has been repaired, but some of the names are partly or entirely missing on the first few pages, as will be noted from the blank spaces. Obviously, some of the names were misspelled by the persons who wrote them in the ledger, but they are copied here exactly as they appeared to be in the original.

GUYSELMAN'S BIRDS

The pen drawings that follow are the work of William A. Guyselma, Recorder of Macon County from about 1865-1875. Many of these artistic designs are scattered throughout the marriages in Book "E" of Macon County, Missouri. We present them here for your enjoyment, and to preserve this once popular art-form.
