"Larry Sumpter's Database"
These sets of death information were found in the old Randolph County, MOGenWeb Files.
The information seems to be submissions sent to Larry and, for the most part, bits and pieces of individual research.

They are reformatted and archived for reference only.
The last date of posting found was 2007. I cannot find a current email address for Larry, so there is no one to contact about any of the information.
Additionally, any emails found below are probably invalid.

"Larry Sumpter's Database"
These sets of death information were found in the old Randolph County, MOGenWeb Files.
The information seems to be submissions sent to Larry and, for the most part, bits and pieces of individual research.

They are reformatted and archived for reference only.
The last date of posting found was 2007. I cannot find a current email address for Larry, so there is no one to contact about any of the information.
Additionally, any emails found below are probably invalid.

"Larry Sumpter's Database"
These sets of death information were found in the old Randolph County, MOGenWeb Files.
The information seems to be submissions sent to Larry and, for the most part, bits and pieces of individual research.

They are reformatted and archived for reference only.
The last date of posting found was 2007. I cannot find a current email address for Larry, so there is no one to contact about any of the information.
Additionally, any emails found below are probably invalid.

"Larry Sumpter's Database"
These sets of death information were found in the old Randolph County, MOGenWeb Files.
The information seems to be submissions sent to Larry and, for the most part, bits and pieces of individual research.

They are reformatted and archived for reference only.
The last date of posting found was 2007. I cannot find a current email address for Larry, so there is no one to contact about any of the information.
Additionally, any emails found below are probably invalid.

"Larry Sumpter's Database"
These sets of death information were found in the old Randolph County, MOGenWeb Files.
The information seems to be submissions sent to Larry and, for the most part, bits and pieces of individual research.

They are reformatted and archived for reference only.
The last date of posting found was 2007. I cannot find a current email address for Larry, so there is no one to contact about any of the information.
Additionally, any emails found below are probably invalid.

"Larry Sumpter's Database"
These sets of death information were found in the old Randolph County, MOGenWeb Files.
The information seems to be submissions sent to Larry and, for the most part, bits and pieces of individual research.

They are reformatted and archived for reference only.
The last date of posting found was 2007. I cannot find a current email address for Larry, so there is no one to contact about any of the information.
Additionally, any emails found below are probably invalid.

"Larry Sumpter's Database"
These sets of death information were found in the old Randolph County, MOGenWeb Files.
The information seems to be submissions sent to Larry and, for the most part, bits and pieces of individual research.

They are reformatted and archived for reference only.
The last date of posting found was 2007. I cannot find a current email address for Larry, so there is no one to contact about any of the information.
Additionally, any emails found below are probably invalid.
